I am pleased to report a very positive financial year in 2022, both in respect of sales of Prize Bonds and fund growth. The size of the fund is now almost €4.7 billion. These results were in large part due to our customers investing their savings in an attractive and safe savings vehicle.

The operating performance indicators for 2022 were:

Indicator	Performance	% Change on 2021
Sales	€615.7m	(6.8)%
Repayments	€362.5m	10.6%
Sales less repayments	€253.2m	(23.9)%
Fund value at financial year end	€4,694.6m	5.7%
Value of prizes awarded	€16.0m	2.6%
No. of prizes awarded	237,659	4.2%
No. of purchases	292,485	(5.2)%

Graphs

The fund, the total sum invested in Prize Bonds grew by 5.7% to almost €4.7 billion, reflecting continued customer confidence in the product.

Prize Bond weekly draws

The continued growth in the Prize Bonds fund demonstrates customers' interest in the Prize Bond product. Customers continue to be attracted by the unique nature of their investments, funds being preserved together with the opportunity to win prizes every week. In 2022 we issued over 237,000 prizes to our customers, a 4.2% increase in the financial year. The monetary value of prizes increased by 2.6% during the financial year.

The total value of prizes to be issued is determined by the National Treasury Management Agency (NTMA) by the application of an interest rate to the value of outstanding Prize Bonds.

Interest Rate

The variable rate which determines the Prize Fund for Prize Bonds was 0.35% for the period.

Unclaimed Prizes

At the end of 2022, the number of unclaimed prizes, built up since the launch of the product in 1957, amounted to €3.38 million. Unclaimed prizes are defined as not claimed after six months. It should be noted that we communicate with every prize winner at the address we have for the customer. Unclaimed prizes primarily arise due to customers not notifying us of their change of address. We encourage customers to notify us of any changes as early as possible after the change.

The amount outstanding in these prizes is a very small part of the value of prizes awarded over the years since the incorporation of the Prize Bond Scheme. All prizes are listed on the State Savings website, www.StateSavings.ie. It is important to remember that prizes are held indefinitely until claimed by a bond holder.

Improving Service

Prize Bonds are a very important offering in the State Savings product portfolio which is offered to retail investors by the NTMA on behalf of the State. In 2001 a new and improved website was launched, making it easier for customers to purchase and get more information on our product. During 2022, we continued our investments of recent years to develop and improve our systems and processes. I am happy to report that 19.4% of our sales are now completed online, up from 18.1% in 2021.

We have worked closely with the NTMA to improve the customer processes. In particular, with the introduction of more online services, customers are now able to see their State Savings holdings, including Prize Bonds, online and to undertake more activity with us using their choice of channel. Regular customers buying in Post Offices have also seen improvements in the purchase process during 2022. This is an important development given that over 56.8% (54.6% in 2021) of purchases take place in Post Offices.

Since February 2020, customers who win prizes have the choice of receiving the prize by way of Electronic Fund Transfers directly to their bank account or by re-investment in Prize Bonds. These alternative options are fast and secure payment methods. They also increase efficiency in payments to customers as 'clearing times' and costs associated with cheques do not apply. Our call centre continued to perform well, with 98% of calls answered in 3 minutes or less.

Appreciation

I would also like to thank the Board members of the Company and the management and staff of An Post and Fexco for their significant contribution to our performance in 2022.

Finally, I wish to thank the National Treasury Management Agency for their continued support and invaluable assistance.

Debbie Byrne, Chairperson

24th May 2023

The directors have pleasure in submitting their annual report, together with the audited financial statements of the Company, for the financial year ended 31 December 2022.

The Company

The Company carries on the business of administering the Prize Bond Scheme under a contract with the National Treasury Management Agency which ran until the 31 December 2022. The contract was renewed on 21 December 2022 for a further five years from the completion of the exiting contract to 31 December 2027. The directors are therefore satisfied that the Company will have adequate resources to continue in operational existence for a period of at least twelve months from the date of approval of these financial statements.

The issued share capital is held 50% each by An Post and Fexco.

Results for the financial year

The results for the financial year are set out in the income statement on page 11 and in the related notes.

The directors do not propose the payment of a dividend for the financial year (2021: €Nil).

Business review

The business review is included in the Chairperson's Statement. As described therein, the performance of the Company in 2022 continued to be positive. Sales of prize bonds remained strong at €615.7m (2021: €660.5m). Contract fees, earned by the Company, increased by 5.5% to €12.1m. Changes in the balance sheet and cash position largely reflects the timing in payments to related parties.

The key risks and uncertainties facing the future development of the Company include the performance of its sub-contractors and ensuring the relevance of our product in the increasingly competitive market in which we operate. The directors have developed a range of strategies to address these and other risks faced by the Company.

Directors, secretary and their interests

There were four Board meetings held during the financial year. Directors attendance at the meetings for which they were eligible to attend is set out below:

Director	Meetings eligible to attend	Meetings Attended
Debbie Byrne	4	4
Brian Fay	4	0
Sharon Kelly	4	3
Anthony Linehan	4	4
Dave McEvoy	1	1
Alan McGeehan	1	1
William Mooney	4	3
Mary O'Connell	4	4
Ivo O'Sullivan	4	4
John Rice	4	4
Martin Ryan	4	4

The directors and secretary, who held office at 31 December 2022 had no interest in the shares in, or debentures of, the Company or any Group Company.

Alan McGeehan resigned from the board on 24 February 2022. Sharon Kelly was appointed to the board with effect from 24 February 2022. Anthony Linehan resigned from the board on 14 December 2022. Brian Fay resigned from the Board on 15 December 2022. Dave McEvoy was appointed to the board with effect from 14 December 2022. Ray Flood resigned as secretary to the Board on 15 February 2023. Gillian Skehill was appointed as secretary with effect from 15 February 2023.

Subsequent Events

There were no events between the balance sheet date and the date these financial statements were approved that would require either adjustment to, or disclosure in, these financial statements.

Accounting records

The directors believe that they have complied with the requirements of Section 281 to 285 of the Companies Act 2014 with regard to adequate accounting records by employing personnel with appropriate expertise and by providing adequate resources to the financial function. The accounting records of the Company are maintained at the registered office.

Relevant audit information

The directors believe that they have taken all steps necessary to make themselves aware of any relevant audit information and have established that the Company's statutory auditors are aware of that information. In so far as they are aware, there is no relevant audit information of which the Company's statutory auditors are unaware.

Auditor

The auditor, Deloitte Ireland LLP, Chartered Accountants and Statutory Audit Firm, continues in office in accordance with Section 383(2) of the Companies Act 2014.

The directors are responsible for preparing the directors' report and the financial statements in accordance with the Companies Act 2014.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards as adopted by the European Union ("relevant financial reporting framework"). Under Company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date and of the profit or loss of the Company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website.

Independent Auditor's Report

8

to the members of The Prize Bond Company Designated Activity Company

Report on the audit of the financial statements

Opinion on the financial statements of The Prize Bond Company Designated Activity Company (the 'company')

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2022 and of the result for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Income Statement;
- the Statement of Financial Position;
- the Statement of Changes in Equity;
- the Statement of Cash Flows; and
- the related notes 1 to 13, including a summary of significant accounting policies as set out in note 1.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and International Financial Reporting Standards as adopted by the European Union ("IFRS") ("the relevant financial reporting framework").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Reports and Financial Statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the Reports and Financial Statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements>. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the Companies Act 2014.

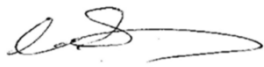

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. Accounting policies

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.1 Basis of preparation and statement of compliance

Reporting entity

The Prize Bond Company Designated Activity Company (the “Company”) is a Company incorporated and domiciled in Ireland.

Statement of Compliance

These financial statements were prepared in accordance with International Financial Reporting Standards (IFRS), as adopted by EU (EU IFRS).

Going concern

The financial statements have been prepared on a going concern basis. The directors, having assessed the resources of the Company have concluded that the Company has adequate resources to continue in operational existence. On 21 December 2022, the Company entered into a contract with the National Treasury Management Agency for the administration of the Prize Bond Scheme from 1 January 2023 to 31 December 2027 unless terminated sooner under clause 13 of the contract. The directors are therefore satisfied that the Company will have adequate resources to continue in operational existence for a period of at least twelve months from the date of approval of these financial statements.

Basis of measurement

These financial statements are prepared on a historical cost basis.

Functional and presentation currency

The financial statements have been presented in euro, which is the functional currency of the Company.

Use of judgements and estimates

In preparing these financial statements, management has made no judgements, estimates and assumptions that affect the application of the Company’s accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

1.2 Prize Bond Scheme

The Company administers, for an agreed scale of remuneration, the Prize Bond Scheme. The funds are remitted regularly to the National Treasury Management Agency acting on behalf of the Minister for Finance. The assets and liabilities of the Prize Bond Scheme vest in the Minister and, accordingly, are not included in the balance sheet of the Company.

1.3 Revenue

Revenue comprises the value of all services provided, calculated in accordance with the contract for the administration and sale of the Prize Bond Scheme, excluding value added tax.

1.4 Advertising and promotional expenditure

Advertising and promotional expenditure is as incurred.

1.5 Taxation

Income tax expense comprises current and deferred tax. It is recognised in the income statement except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Notes to the Financial Statements (continued) for the financial year ended 31 December 2022

Current tax

Current tax comprises the expected tax payable or receivable on the taxable profit or loss for the financial year and any adjustment to the tax payable or receivable in respect of previous financial years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities are offset only if certain criteria is met.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences on initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profits or loss;
- temporary differences related to investments in subsidiaries, associates and joint arrangement to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse the foreseeable future; and
- taxable temporary differences arising on initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits, deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

1. Prize Fund and structure

The Prize Fund is determined by calculating interest on the eligible fund at a rate determined by the National Treasury Management Agency. The number of prizes awarded each week depends on the size of the total Prize Fund. The following were the total number of prizes awarded in 2022 and 2021.

Prize Value €	Number	
	2022	2021
1,000,000		
250,000	4*	4*
50,000	48	49
1,000	520	530
500	520	530
50	236,567	226,902
Total	237,659	228,015

** In February 2021, the two annual Jackpot Prizes of €1,000,000 were replaced by four quarterly prizes of €250,000. These quarterly prizes are awarded in the last draw at the end of each quarter March, June, September and December. In each other week a top prize of €50,000 is awarded.*

The total value of prizes awarded in 2022 was €16,008,350 (2021: €15,590,100), a 2.6% increase in the financial year.

2. Drawing of numbers

Sustainability

NTMA's Climate Strategy seeks to ensure that NTMA builds on its leadership role in sustainable finance to support the delivery of Government climate action initiatives through its mandates and to be an environmentally sustainable and Net Zero emissions organisation by 2030.

The Company has procured the services of An Post and Fexco who conduct their business for The Company under specific contractual considerations, including the sharing of Environmental, Social and Corporate Governance (ESG) policies and outlining their plans and initiatives in respect of the application of ESG. Both An Post and Fexco are committed to advancing ESG principles generally and as they relate to the provision of services to the Prize Bond Company.

An Post's Sustainability Strategy is to have a positive environmental and social impact, equality for all and creating opportunities for consumers to live a more sustainable life.

Fexco's Environmental Policy and plans sets out to improve the lives of their people, the communities in which they operate, and the planet as they deliver on their business objectives with the driving purpose to grow business and opportunities for their clients and their people in a responsible manner.

Actions

Sustainability drives us to review our operations as we strive to reduce waste and switch to more sustainable and efficient processes. The Company has ceased issuing cheques for Prize Bond winnings. Customers were offered two options, either payment by Electronic Fund Transfer (EFT) or reinvestment into new Prize Bonds. This initiative has resulted in a 98% reduction in the number of cheques issued. The design of the Prize Bond certificate was updated to a A4 format printed on recycled paper. The new format enabled us to reduce the volume of paper produced each year by approximately 140,000 items.

We also strive to improve our customer experience in a sustainable manner. Customers can now access information about their Prize Bond holdings through State Savings Online (SSO). Through this portal customers can manage their holdings, view transactions and request repayments. SSO enables customers to manage their Prize Bonds at a time and place that suits them.

The Company will continue to implement digital solutions and operational efficiencies to advance its ESG principles.
